

Exhibition of actual equipment in 46th NEPCON Japan

We exhibit actual equipment, OLED lighting equipment for microscope, in 46th NEPCON Japan, from Jan. 18 to 20, 2017. (Our booth No.: E8-18 in East 2 Hall)

This equipment has been developed by Daiichi Denki Corp. and they have already used the ones in their inspection process.

We exhibit both OLED lighting and LED lighting with a microscope which is used in Daiichi Denki's factory. Please compare the both lighting with your own eyes.

We are looking forward to your visit.
